

## Uniform Information – Voices of Eterna 2016-2017

Returning Eterna Singers: Your measurements will be taken upon request during summer camp or during the first two rehearsals in August.

New Eterna Singers: Your measurements will be taken during summer camp or during the first two rehearsals in August.

Milwaukee Children's Choir will then order your uniform. Because delivery can take many weeks, it is imperative that you attend the first few rehearsals to be measured. If you miss these rehearsals, you must contact the MCC office with your measurements no later than September 2nd.

### Each Member supplies:

**Girls:** **Black dress flats or low heel** closed toe shoes and **black socks or black nylons**. Heels should be avoided as you may be standing for long periods of time. Also, please avoid sparkles or flashy metal on your shoes. A pair of black ballet style flats would work perfectly. **NO JEWELRY** of any kind.

**Boys:** Black dress shoes (loafer type preferred - no laces to come untied!), **black dress leather belt** and black dress socks.

Please help your singer with his/her uniform:

- We are trying to achieve a consistent look—the uniform will have a “uniform” fit, not a “fashion” fit.
- For consistency, all ETERNA members should be completely dressed in black.
- We attempt to provide a generous fit so uniforms may be used for more than one year. Use safety pins on waistbands if necessary; there will be a cummerbund or blouse over the waist to cover any fit issues.
- Don't forget to **hem your dress pants or palazzos!** The hem should come to the **top of the toe** on your **black dress shoes**. They should not drag on the floor. Leave the excess fabric in the hem for growth.

**Uniform fees** for current Eterna members: You will receive an invoice for the uniform fees. Please send in your payment upon receipt of this invoice.

**Uniform fees** for new Eterna members are added into the fees on the Tuition Agreement Form and are payable according to your chosen tuition payment plan.
